

Talking Animals

KUCI FM

JULY 19, 2004

GUEST: Linda McLeod--founder & director of Pacific Wildlife Project, an Orange County-based wildlife rescue and recovery center with some international distinctions (including that PWP has treated more pelicans than any other facility worldwide)--discusses her long history of rescuing & rehabilitating wild birds and other creatures, the evolution and current mission of the Project, a current crisis with starving brown pelicans, the Project's volunteer program and unusual funding approach, & more. [www.PacificWildlife.org]

COMEDY CORNER: Bill Engvall's "Deer Hunting" [www.BillEngvall.com]

MUSIC: Pulp's "Birds In Your Garden" Ike Turner & The Kings Of Rhythm's "Catfish Blues," instrumentals

NAME THAT ANIMAL TUNE: Split Enz's "Dirty Creature"
